

PE Sports Funding Report – 2015-16

Background

Following the success of the 2012 London Olympics, the Government is providing additional funding of £450 million to improve the quality and breadth of physical education (PE) and sport in primary schools. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children.

Each school receives £8,000 plus an extra £5 per pupil each year. The money can only be spent on sport and PE provision so that all children benefit regardless of their sporting ability.

The funding has been provided to ensure self-sustaining improvement in the quality of PE and sport in primary schools. The focus of spending must lead to long lasting impact that will live on well beyond the Primary PE and Sport Premium funding.

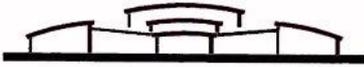

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive and informal sport.

Principles for Allocating Funding

To achieve self-sustaining improvement in the quality of PE and sport for all pupils regardless of sporting ability, we will:

1. carefully ring-fence funding so that it is spent on improving sporting outcomes
2. develop or add to the PE and sport activities we already offer
3. provide existing staff with training or resources to help them teach PE and sport more effectively
4. introduce new sports or activities and encourage more pupils to take up sport
5. support and involve the least active children by running or extending school sports clubs and using Change4Life to offer advice and support to children and their families.
6. run sport competitions
7. take part in sports activities with other schools
8. monitor the involvement and participation of children in sport outside school.

How we used the funding in 2015-16

1. Access to the Wheatley PE & School Sport Partnership events
2. Increased participation in intra and inter-school competitions
3. Purchase of specialist coaches to work alongside teachers (including staff training)
4. Purchase of equipment and teaching resources
5. Purchase of additional equipment for use at lunchtime play to help promote School Sports Ambassadors
6. Cycling proficiency programme for Year 6 children.

Ensuring High Quality PE Provision

1. The sports funding has been used to employ specialist coaches to work alongside teachers in lessons to increase their subject knowledge and confidence in PE.
2. Staff training to raise confidence and competence in teaching PE and sport, provided by the Local authority through the Oxfordshire Schools Partnership has included:
 - Outdoor and adventurous activities training
 - KS1 and KS2 rugby
 - Training for Cycle tuition
 - Football coaching award
3. Providing cover-staff to release teachers for professional development in PE and sport.

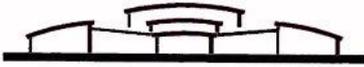

Impact of PE & Sports Premium Spending 2015 – 2016

Coaching

- Specialist rugby coaching for year groups in KS1 and KS2.
- Football coaching in KS1 and KS2, both also provided on-going CPD for teachers

Curriculum

- Outdoor Learning resource and training purchased to support teachers with the planning and teaching of outdoor adventurous activities.
- Through outdoor learning children are encouraged to think about ways that they and their families can engage in free physical activity and the importance of this.
- Whole school took part in a range of outdoor problem solving activities in a 'buddy' event. This involved teams of children across both Key Stages.

Competition

Participation in a range of partnership competitions and school events included

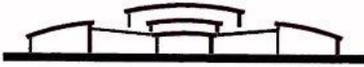

- football for both boys and girls teams,
- Sports Hall athletics
- Outdoor athletics and
- Swimming.
- All children in year 6 took part in an 'Olympic style' partnership event this year, taking part in several different team building and sports activities.
- Children in Year 4, 5 and 6 have had the opportunity to put themselves forward to attend partnership competitions.
- An intra school handball competition was held twice this year.

Achievements include:

- Year 5 and 6 Girls' football team were runners up in the OSFA Manor Cup final;
- Some outstanding individual winners in the Wheatley Partnership Sports Hall Athletics event;
- A successful swimming team in the partnership swimming gala, with some outstanding individual performances;
- Children from years 3,4,5 and 6 attended the Quad kids athletics. Children achieved a range of 1st, 2nd, and 3rd places across these mixed events.

Clubs

- Climbing club offered to Foundation, KS1 and KS2 children throughout the year, many children have continued to climb outside school.
- Archery club offered to Year 4, 5 and 6, many children and their families have continued this at archery clubs outside school.
- Both clubs were subsidised to enable greater participation.
- Other clubs were run by school staff with no charge to children:
 - Outdoor adventure club
 - Cricket club
 - Athletics club
 - Ball skills
 - Tennis club
 - Chess club

Health and Physical Activity

- Weekly clubs: climbing, archery, football, Outdoor adventure, cricket, ball skills, athletics, tennis, chess.
- Daily lunchtime sessions run by Sports Ambassadors (year 5 and 6) for all children in a wide variety of activities.
- Weekly Orienteering/problem solving activity for children from KS1 and KS2.
- Year 6 children took part in 'A mile a day' through the summer terms, some walking, but an increasing number ran up to 2 or 3 miles each day.

PE Specialist Teachers

- Swimming – pool hire and instruction for children from Year 3-6.
- Teachers who accompany children have been provided with training.
- Almost all year 6 children could swim competently, while all children from other age groups made significant improvements.

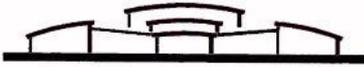

Other

- New equipment has been purchased to increase the range of sports on offer and enable more pupils to be active during PE, including: mini tennis nets, standing long jump mats, high jump measure, athletics bounce boards, outdoor learning den building kit, new tennis racquets, new basketballs, new athletics equipment.
- Sainsbury's Active Kids vouchers used to purchase equipment (5000+ collected).
- Training for lunchtime supervisors to supervise and work alongside Sports Ambassadors has resulted in some Y5 and 6 pupils, leading younger pupils in physically active games at lunchtime.
- Year 1 children visited Hill End outdoor centre to explore the environment, using maps of the area.
- The Cycling proficiency programme for 20 year 6 children was extremely successful, all children passing the test. There was also training for three adult cycle tutors, who then became qualified to supervise their own cycling proficiency course.

Evaluation of Expenditure 2015-16

Activity	Cost	Impact
Partnership Sports PE programme contribution	£330	Children were able to participate in partnership events and competitions
Outdoor Learning Resources/Training	£200	Teachers were supported with planning and teaching. Quality of Outdoor Learning activities increased – teachers are able to access videos and cards to show children the skills they required.
PE Co-ordinator time (clubs)	£2,850	PE Co-ordinator ran 3 after school clubs each week including ball skills; cricket club and Outdoor and Adventure; athletics club; basketball. Increasing the amount of sport opportunities available to children
PE Co-ordinator time (Orienteering)	£1,000	PE Co-ordinator worked with 20 children across each year group one hour a week orienteering-all children over the year were able to be involved in this activity
Lunchtime sports led by TA	£760	TA leads sports activities in playground Mon-Thurs. Increasing the amount of access to different sports.
Transport Costs School Sport Events	£400	Children were able to participate in partnership events and competitions
Sports Equipment	£2,500	A range of equipment was purchased for sport and lunchtime play e.g. large spinning tops, basketball hoops, sit and slides
Sports Kit	£150	Sports kit was purchased for team events against other schools
Sports Clubs	£200	Provision for children from low income families to attend sports clubs.
Total	£8,390	

Planned Provision for the PE & Sports Premium Funding 2016-17

Aims

The following aims have been identified for the Sports Premium in 2016-17

1. Increase participation and competence of children who represent the school in partnership competitions, by providing specialist coaching for children throughout the year.
2. Assess the need for a sports themed breakfast and after school club.
3. Improve the quality of sports day by broadening the variety of events.
4. Provision of lunchtime sports clubs each week.
5. Purchase fixed basketball/netball nets in the playground.
6. Access sports specialists, eg yoga, dance, gymnastics, to widen extra curricular opportunities.
7. Offer mindfulness/relaxation sessions via qualified tutor.
8. Extend opportunities for Outdoor learning for KS1 and KS2. (Forest school)
9. Offer more opportunities for foundation and KS1.
10. Increase intra school competitions or PE/Sport themed days.
11. Increase/extend contacts with community (Oxford United football club, Oxford City tennis, Oxford City athletics, Soccer schools UK, Hill End Outdoor centre, Canoe Oxford, Oxford Brookes Climbing wall).

Desired Impact

1. 100% of PE lessons are high quality lessons.
2. 60% of children attend a sports club (lunch time or after school).
3. School attends a higher level of partnership events.
4. 100% of children to take part in intra school competitions.
5. Greater numbers of children take part in sport outside school.
