

PE & Sports Premium Funding

Sandhills Community Primary School

PE Sports Premium Funding Report – 2016-17

Background

Primary Sport and PE Premium funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport, and goes directly to primary schools to spend on improving the quality of sport and PE for all their children.

Each school receives £8,000 plus an extra £5 per pupil each year. The money can only be spent on sport and PE provision so that all children benefit regardless of their sporting ability. Looking ahead to 2017-18 the funding will be doubled to £16,000 plus an extra £10 per pupil.

The funding has been provided to ensure self-sustaining improvement in the quality of PE and sport in primary schools. The focus of spending must lead to long lasting impact that will live on well beyond the Primary PE and Sport Premium funding.

The vision of the Department for Education is:

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive and informal sport.

Principles for Allocating Funding

To achieve self-sustaining improvement in the quality of PE and sport for all pupils regardless of sporting ability, we will:

1. carefully ring-fence funding so that it is spent on improving sporting outcomes
2. develop or add to the PE and sport activities we already offer
3. provide existing staff with training or resources to help them teach PE and sport more effectively
4. introduce new sports or activities and encourage more pupils to take up sport
5. support and involve the least active children by running or extending school sports clubs and using Change4Life to offer advice and support to children and their families.
6. run sport competitions
7. take part in sports activities with other schools
8. monitor the involvement and participation of children in sport outside school.

How we used the funding in 2016-17

1. Access to the Wheatley PE & School Sport Partnership events
2. Increased participation in intra and inter-school competitions
3. Purchase of equipment and teaching resources
4. Purchase of additional equipment for use at lunchtime play to help promote School Sports Ambassadors
5. Cycling proficiency programme for Year 6 children.

Ensuring High Quality PE Provision

1. The sports funding has been used to identify areas where the school can work to support staff in increasing their subject knowledge and confidence in PE. Letters were sent out to all children and parents to monitor overall satisfaction and gather additional information regarding school sport and sport played outside of school. Going forward, we intend to use this information to provide a broader base of sport and PE in school.

Impact of PE & Sports Premium Spending 2016-17

Curriculum

- Outdoor Learning resource and training purchased to supplement the planning and teaching of outdoor adventurous activities.
- Outdoor Adventure Club run over two terms which was very successful in attracting children who wouldn't normally attend clubs.
- Greater use of outdoor area in curriculum time including maths and English lessons.
- Through outdoor learning children are encouraged to think about ways that they and their families can engage in free physical activity and the importance of this.
- Members of the teaching and support staff include a highly experienced level two hockey coach and a level one qualified football coach both providing high quality curriculum games.

Competition

Participation in a range of partnership competitions and school events included:

- Football for both boys' and girls' teams
- Sports hall athletics
- Outdoor athletics
- Swimming
- All children in year 6 took part in an 'Olympic style' partnership event this year, taking part in several different team building and sports activities

- Children in Year 4, 5 and 6 have had the opportunity to put themselves forward to attend partnership competitions
- An intra school handball competition was held twice this year
- Intra school table tennis, netball, basketball, athletics and orienteering competitions

Achievements include:

- Year 3 and 4 mixed football team reached finals of South Oxfordshire Football Finals
- Year 3 and 4 mixed football team reached finals of Oxfordshire County Competition
- Some outstanding individual winners in the Wheatley Partnership Sports Hall Athletics event
- A successful swimming team in the partnership swimming gala, with some outstanding individual performances
- Children from years 3,4,5 and 6 attended the Quad Kids' Athletics. Children achieved a range of 1st, 2nd, and 3rd places across these mixed events.

Clubs

- Outdoor Adventure Club ran over two terms and attracted children who did not usually take part in extra-curricular activities
- Archery club offered to Year 4, 5 and 6, many children and their families have continued this at archery clubs outside school
- Both clubs were subsidised to enable greater participation
- Other clubs were run by school staff with no charge to children:
 - Cricket club
 - Netball club
 - Football club
 - Athletics club
 - Ball skills
 - Tennis club
 - Chess club

Health and Physical Activity

- Weekly clubs: climbing, archery, football, Outdoor adventure, cricket, ball skills, athletics, tennis, chess.
- Daily lunchtime sessions run by Sports Ambassadors (year 5 and 6) for all children in a wide variety of activities.
- Weekly Orienteering/problem solving activity for children from KS1 and KS2.

PE Specialist Teachers

- Swimming – pool hire and instruction for children from Years 3-6.
- Teachers who accompany children have been provided with training.
- Almost all year 6 children could swim competently, while all children from other age groups made significant improvements.

Other

- New equipment has been purchased to increase the range of sports on offer and enable more pupils to be active during PE, including: basketball posts, new football goals, outdoor learning resources, athletics equipment, storage resources and a wide variety of balls and other PE equipment.
- Sainsbury's Active Kids vouchers used to purchase equipment (5000+ collected).
- Training for lunchtime supervisors to supervise and work alongside Sports Ambassadors has resulted in some Y5 and 6 pupils, leading younger pupils in physically active games at lunchtime.
- Year 1 children visited Hill End outdoor centre to explore the environment, using maps of the area.
- The cycling proficiency programme for year 6 children was extremely successful, all children passing the test. There was also training for our newly qualified adult cycle tutors to oversee the cycle proficiency programme and continue their development.
- Members of the teaching and support staff include a highly experienced level two hockey coach and a level one qualified football coach who both provide links with local clubs.

Evaluation of Expenditure 2016-17

Activity	Cost	Impact
Partnership Sports PE programme contribution	£330	Children were able to participate in partnership events and competitions
Outdoor Learning Resources/Training	£350	Contribution to Forest School training
Staff with coaching qualifications delivering curriculum games		Enhanced quality of teaching and learning Links with local clubs Confident, competent staff
Contribution to purchase of online resources supporting healthy lifestyle	£300	Improved awareness of healthy lifestyle choices Links with curriculum science and PSHE
Transport Costs School Sport Events	£300	Children were able to participate in partnership events and competitions
Sports Equipment	£3,000	Increased opportunities for play and lunchtime activities. Improved resourcing for curriculum PE
Sports Kit for team events	£100	Positive attitudes towards sport and competition Pride in representing school
Sports Clubs	£150	Provision for children from low income families to attend sports clubs – improving access to opportunities for all children
Total	£4,530	Balance to be carried forward

Planned Provision for the PE & Sports Premium Funding 2017-18

Aims

The following aims have been identified for the Sports Premium in 2017-18

1. Increase participation and competence of children who represent the school in competitive partnership competitions, by providing specialist coaching for children throughout the year.
2. Improve the quality of sports day by broadening the variety of competitive events.
3. Provision of lunchtime sports clubs each week.
4. Resources to assist staff in assessing skills in PE.
5. Access sports specialists, eg yoga, dance, gymnastics, to widen extra-curricular opportunities.
6. Offer mindfulness/relaxation sessions via qualified tutor.
7. Extend opportunities for Outdoor learning for KS1 and KS2. (Forest School)
8. Offer more opportunities for foundation and KS1.
9. Increase intra school competitions or PE/Sport themed days.
10. Achieve School Games certification through the implementation of this provision and use contacts outside the school to help achieve this.
11. Increase/extend contacts with community (Oxford United football club, Oxford City tennis, Oxford City athletics, Soccer schools UK, Hill End Outdoor centre, Canoe Oxford, Oxford Hawks Hockey Club, Oxford Brookes Climbing wall).

Desired Impact

1. 100% of PE lessons are high quality lessons.
2. 60% of children attend a sports club (lunch time or after school).
3. School attends a higher level of partnership events.
4. 100% of children to take part in intra school competitions.
5. Greater numbers of children take part in sport outside school.
