

## **PE and Sports Funding Interim Report 2017-2018 (January 2018)**

### **1. Planned Provision for the PE & Sports Premium Funding 2017-2018**

The following aims have been identified for the Sports Premium in 2017-2018

- 1.1. Increase participation and competence of children who represent the school in partnership competitions, by providing specialist coaching for children throughout the year.
- 1.2. Improve the quality of sports day by broadening the variety of events.
- 1.3. Provision of lunchtime sports clubs each week.
- 1.4. Access sports specialists, eg yoga, dance, gymnastics, to widen extra curricular opportunities.
- 1.5. Offer mindfulness/relaxation sessions via qualified tutor.
- 1.6. Extend opportunities for Outdoor learning for KS1 and KS2. (Forest school)
- 1.7. Offer more opportunities for foundation and KS1.
- 1.8. Increase intra school competitions or PE/Sport themed days.
- 1.9. Achieve School Games certification through the implementation of this provision and use contacts outside the school to help achieve this.
- 1.10. Increase/extend contacts with community (Oxford United football club, Oxford City tennis, Oxford City athletics, Soccer schools UK, Hill End Outdoor centre, Canoe Oxford, Oxford Brookes Climbing wall).

### **2. Desired Impact**

- 2.1. 100% of PE lessons are high quality lessons.
- 2.2. 60% of children attend a sports club (lunch time or after school).
- 2.3. School attends a higher level of partnership events.
- 2.4. 100% of children to take part in intra school competitions.
- 2.5. Greater number of children take part in sport outside school.

#### **Progress in 2017/18 January Update.**

Participation and competence in competitions has increased and improved. Sandhills has taken part in Sportshall athletics, successfully and in girls and boys football matches at 'a' and 'b' team level.

We will add to sporting day events by organising an Orienteering day and other athletics events.

Sports coaching from Oxford United and from Rugby League Inspires has already been implemented. We have plans for Tennis coaching and a Yoga teacher to be involved later this year, as well as Cricket coaching, to improve the childrens' skills and to enable Teachers to use the learning they observe in their own planning.

Forest School has begun in Key Stage One. Plans are underway for this to extend to other year groups.

WR Soccer have been able to run a Key Stage one Multi Skills club.

Intra school competition has increased in curricular and extracurricular time, particularly in football, athletics and basketball.

Sandhills is well on the way to achieving School Games certification, through liaison with our School Games Organiser and in successfully meeting the criteria involved.

Sandhills is also extending our community links with Oxford United, Oxford Martial Arts, Oxford Brookes Rock Solid climbing wall and with Oxford City Athletics.

So far this provision has enabled us to ensure high quality PE lessons at all times, an increase in children attending clubs, greater participation in partnership events and a huge increase in intra school events in many sports across the PE curriculum.

This greater provision and participation has led to a greater number of children taking part in sport outside school, for example in girls football teams, climbing at Rock Solid, athletics at Oxford City, many boys playing in local football teams and swimming training at the local Barton pool.

Sandhills received £10,798 for Sports Funding in October 2017. We will receive a further £7700 in April this year.

To date £10,127 has been spent on staffing for PE and Sport and a further £540 on equipment and competitions.

The remainder of the funding will be used for termly coaching as detailed above and for topping up equipment, such as for table tennis, basketball, lunchtime resources, sports storage and a new Sandhills team kit.
