

School Clubs

At Sandhills, we believe that children should enjoy as many aspects of school life as possible; including a range of opportunities beyond the parameters of the school day. We endeavour to offer extra-curricular activities to as many children as possible- catering for as many different tastes as we can too.

We believe that our school clubs offer children a way to develop their own interests and maybe try something that is new and exciting!

Some of the school clubs that have run in the past are:

- Chess Club
- Origami Club
- Games Club
- Cricket Club
- Football Club
- Climbing Club
- Tennis Club

Our school clubs this year include:

- Archery
- Outdoor and Adventure Club
- Lego Club
- Pokemon Club
- Art Club
- Netball Club
- Ball skills
- ICT club

The different clubs sometimes run for a term and are then changed so watch out for letters relating to clubs so that you don't miss out!
