

Scrumdiddlyumptious Year 3 - Homework Grid – Autumn Term 1 - 2018

Homework in Year 3 will consist of three types of tasks:

1. **Red tasks** – you need to do all of these every week,
2. **White tasks** – you can choose these and you need to do at least 2 before half term,
3. **Blue tasks** – you need to do all blue tasks. These will be given to you as a follow up to a lesson, or to prepare for a future lesson.

You should prepare tasks to the best of your ability and check your work carefully before handing them in. We look forward to seeing your choices every **Wednesday!** If you have any concerns or would like some support with resourcing your chosen activities, please do not hesitate to contact us. 😊
Remember if you have trouble completing homework at home, you will need to do it at quiet club at school.
