

Spelling at Sandhills Primary School. Year 1

A parents guide

Firstly, THANK YOU for your support. WE NEED YOU to help us assist your child in becoming a confident speller.

In this booklet, you will find detailed the spelling expectation for your child's phase (Lower or upper Key Stage) along with some tools which we hope will be useful to you in helping your child at home.

- Strategies for learning spellings.
- Phase related spelling requirements.
- Charts of the High Frequency words.
- Useful and fun websites.

Spelling is embedded into the weekly English curriculum but in addition, your child will have a weekly list of spellings as part of their home learning which will come either from the programme of study for their year group or from a vocabulary bank related to their topic.

The spellings will be tested through dictation in class, with the expectation that they are used and practised in class written work. Any opportunity you have to draw attention to spellings from home learning lists in your child's reading will help to strengthen their memory and highlight the word in its proper context.

Happy Spelling

Here are some of the strategies that will help your child become a confident and accurate speller:

- sounding words out: breaking the word down into phonemes (e.g. c-a-t, sh-e-ll) – many words cannot be sounded out so other strategies are needed;
- dividing the word into syllables, say each syllable as they write the word (e.g. re-mem-ber);
- using the Look, say, cover, write, check strategy: look at the word and say it out aloud, then cover it, write it and check to see if it is correct. If not, highlight or underline the incorrect part and repeat the process;
- using mnemonics as an aid to memorising a tricky word (e.g. people: people eat orange peel like elephants; could: OULucky Duck);
- finding words within words (e.g. a rat in separate);
- make links between the meaning of words and their spelling (e.g. sign, signal, signature) – this strategy is used at a later stage than others;
- working out spelling rules for themselves – a later strategy;
- using a dictionary as soon as they know how to.

Encourage your child to have a go at spelling words they are unsure of. This will give them the opportunity to try out spelling strategies and to find those that they find useful. You can help them to use the strategies outlined above and praise their efforts.

Spelling in Year 1 is mostly phonics based and we follow the Read, Write, Inc.

Scheme. There are 3 sets of sounds that the children learn to read and then use in their spellings. The children learn about 'Fred Fingers' where they listen to a word, count the sounds on their fingers and write them down. Many sounds can be written in different ways, for example 'ai' and 'ay'. The children are encouraged to have a go and therefore their spelling will be phonetically plausible.
