

### Key Areas of Learning

As **Scientists** we will be learning about living things and how they can be grouped and sorted in different ways. We will also be learning about food chains, and what would happen if one part of the food chain became 'unavailable'.

As **Artists/Designers** we will be looking at and creating our own ocean inspired art. We will use a range of different materials such as clay and (appropriately) watercolours.

## English

### Reading

We will be looking at *No Dinner! The Story of the Old Woman and the Pumpkin*.

### Writing

We will be looking at fiction writing, focusing on journey stories. Later in the term we will look at poetry.

### Spelling and Grammar

We will have a weekly spelling lesson and cover aspects of grammar in our English lessons. This will include looking at fronted adverbials, apostrophes and speech punctuation this term.

## Mathematics

### Number

We will be solidifying our understanding of written arithmetical methods and using these to solve problems. We will also do more work on decimal numbers and look at converting time from 24-hour format to 12-hour format.

### Shape and Space

We will be calculating perimeters of simple and more complex shapes, and using our understanding of perimeter to calculate missing lengths of shapes.

## Computing

### Coding

We will be doing some coding, working towards coding our own games. We will be looking at using different inputs and outputs, coding sequences and breaking down a problem into smaller parts.

### Music

We will be doing some singing this term, both in class and in weekly singing assemblies.

## British Values

### Mutual Respect

We will be focused on the value of Mutual Respect, linking in with our school value for the term of cooperation and our PSHE work focusing on getting on and falling out.

## Physical Education

### Maypole dancing and athletics

Indoor PE this term is Maypole dancing. Outdoor PE will be athletics. PE will be on **Mondays** (indoor) and **Wednesdays** (outdoor).

### French

### People

This term in French, we will be describing people's appearances and their personalities. Miss B will also be teaching us about pronouns and speaking in the third person.

## SMSC

### Spiritual, moral, social and cultural awareness

This will be linked to RE and our school values. This term our school value is **cooperation**.

## Religious Education

### Should believers give things up?

We will be exploring Lent and its significance for Christian belief and practice.

### PSHE

### Getting On and Falling Out

In PSHE this term we will be looking at what makes a good friend and working together. We will also be looking at understanding anger and how to manage emotions.

## Enrichment Wow Day

### Art Exhibition

We will be transforming our classroom into an art exhibition, showcasing our artwork based around the ocean and the theme of bioluminescence.
