

Beachcombers Year 2 - Homework Grid – Summer 2nd Half term - 2019

Homework in Year 2 will consist of three types of tasks:

1. Daily reading, spellings, and times tables (2, 5, 3, and 10). There are pages on the school website with games and activities to help you.
2. Weekly set tasks in Maths, English and/or Science. These should come into school by Wednesday morning.
3. Topic tasks are shown in the grid below. You don't have to complete these, but we would love to see them and celebrate them in school!

You should prepare weekly and topic tasks to the best of your ability and check your work carefully, making sure that you have checked your spelling and presentation before handing them in. If you have any concerns or would like some support or help with your chosen activities, please do not hesitate to contact us. We look forward to seeing your exciting homework this term!

Mark the UK beaches on a map

With help from a grown up, research some beaches in the UK. Label a map with some beaches and add some interesting facts about them. Some good examples are...

- Brighton Beach
- Fistril Beach
- Runswick Bay

Create a collage of seaside scenes

Using cut outs from magazines and travel brochures, make a collage of different seaside and beach scenes.

Use recycled materials to make a seaside creature

Use recycled materials such as paper plates, paper bags, cups, yoghurt pots etc. to make sea creatures, just like the ones in the pictures!
