

### Key Areas of Learning

As **Geographers** we will be using maps, locating geographical features and using symbols as well as using grid references. We will also explore where mountains are located in the UK and the world, and recap how mountains are formed.

As **Scientists** we will be learning about the water cycle. We will also have a mini-topic on electricity near the end of term, constructing circuits and investigating conductors and insulators.

## English

### Reading

We will be continuing to look at *Harry Potter and the Philosopher's Stone*. We will also be looking at a recount of the first ascent of Mount Everest.

### Writing

We will be writing recounts before looking at building suspense in writing.

### Spelling and Grammar

We will have a weekly spelling lesson and cover aspects of grammar in our English lessons and separate standalone lessons. This will include tense, speech punctuation, subordinate clauses and word families this term.

## Mathematics

### Number

We will be focusing on number and place value this term. This will include looking at how numbers are composed, and how they can be partitioned in different ways. We will look at ordering and comparing numbers, using place value knowledge to add and subtract mentally, counting in 25s and 50s, and rounding numbers to the nearest 10, 100 and 1000.

## Computing

### Coding—Variables

We will be continuing with coding, focusing on the use of variables. We will also work on debugging examples of code—working out what isn't working and how to fix it.

## Music

We will be preparing for the KS2 performance near the end of term.

## British Values

### Mutual Respect

We will be focused on the value of Mutual Respect, linking in with our school value for the term of understanding and our PSHE work focusing on relationships.

## Physical Education

### Cricket and Dance

For PE this term we will have some coaches coming in to deliver some cricket sessions and some dance sessions with the children. As a result, our PE days will now be on **Wednesdays** (outdoor) and **Thursdays** (indoor).

## French

### Sport

This term in French, we will be learning how to say a number of popular sports in French, and how to talk about which sports we play, like and are able to do.

## SMSC

### Spiritual, moral, social and cultural awareness

This will be linked to RE and our school values. This term our school value is **understanding**.

## Religious Education

### Does prayer change things?

We will be looking at the reasons why believers pray and what they believe the results are.

## PSHE

### Relationships

In PSHE this term we will be continuing to look at teamwork. We will also look at taking responsibility and making amends.

## Enrichment Wow Day

### Harry Potter Trip and WOW Day

We will be visiting the Warner Brothers Studios (Monday 10th June). We will also be having a Harry Potter WOW day near the end of term—dressing up for the WOW day (not the trip) will be possible!
