

## Year 3 Term 3

# Tremors

Most subjects this term will be linked to this topic, we aim to have a fun and exciting term where the children enjoy their learning and thrive.

### Key Areas of Learning

As **Scientists** we will be looking at forces and magnets.

As **Geographers** we will be focusing on the features of a volcano and tectonic plates.

As **Designers** we will be creating our own moving version of Pompeii!

As **Historians** we will be looking at Ancient Rome and Pompeii.

## English

**Reading** - Our class story is Escape from Pompeii. It is a great book where the children can imagine life in Pompeii before Mount Vesuvius erupted.

**Writing** - This term we will be looking at researching and producing a non chronological report about volcanoes.

**Spelling and Grammar** - SPaG will be a focus within our English lessons as well as a stand alone lesson each week. Each Friday, the new sound will be introduced and lessons will take place throughout the week to ensure a good understanding of the sound.

A weekly test will take place on a Friday, so it would be really helpful if the children could learn them at home.

## Mathematics

### White Rose Scheme of Work

#### Number

We will recapping our knowledge of addition and subtraction as well as continuing to work on multiplication and division.

We will also be learning about **money!** The children will be able to apply their calculation skills during this area too.
