

Sandhills Community Primary School

Friday 6th March 2020

Dear parents and families,

Coronavirus

We are receiving regular updates from the Department for Education about Coronavirus. We are following the guidance carefully and passing the information on to all members of our school community.

We will continue to practise and remind the children to wash hands thoroughly and to follow any updated advice we receive.

Partnership Indoor Football

Sandhills indoor five a side football team competed at Wheatley Parks regional opening round. Out of the five matches we competed against other schools within our partnership, we won four and drew one, scoring 13 and conceding 1.

We finished top of our region; therefore we have qualified for the county finals for the second year in a row.

Congratulations to; Finley Bell, Aleks Edwards, Imogen Welch, Daisy Harris, Ruben Head, Kelis Handy and Harry Roberts.

Sports report, March 6th 2020

We still seem to be plodding through howling winds and pouring rain, with fortunately the odd sprinkle of sun, which seems to have coincided with Outdoor Adventure Club starting again. Many hardy children braved the flooded wild area last week, so it seems the wet doesn't affect the children! Climbing club and Archery club are in full

flow again with children testing their skills and challenging themselves in slightly warmer, drier conditions.

There are also several interesting sports events coming up- swimming finals, netball finals, cross country events. Much to look forward to. Let's hope some of it is in the sunshine!!

Mr Cobb

Book Fair

A Book Fair will be in school next week from Tuesday through to Friday. The children will have an opportunity to look at the books with their class during the day on Tuesday and parents / carers, children and families will be able to buy books from Book Fair immediately after school every day.

World Book Day

Thank you to Mr Harper and everyone else who made our World Book Day Buddy Event possible yesterday. Below are some of 2S in their fantastic costumes!

Sport Relief

Just to let you know, we are planning on taking part in Sport Relief this year but there will be a slight delay! Next week is officially Sport Relief. However, this is already a busy week in school with Science Day on Thursday and other activities taking place throughout the week. We are also hoping that if we wait a short while the grass may have dried out a bit!

Year Five Residential Visit

A fairly excited group of Year Five pupils (and staff) set off to Woodrow High House on Wednesday. We are looking forward to seeing them on their return this afternoon but hope they don't bring all the mud back with them!

Celebration Assemblies

| Date | Class |
|------------------------|--------------|
| Friday 28th Feb | 2S |
| Friday 6th Mar | 1S |
| Friday 13th Mar | 1P |
| Friday 20th Mar | 6H |
