

Dear Children and Parents,

How are you all? I hope you have had a good week, even though the weather hasn't been quite so nice. I have been in school this week. Each morning we have completed some maths and literacy work. In the afternoons we have been building bridges using spaghetti, making our own obstacle races, and creating colourful paper hearts to hang around school.

Thank you to those of you who have sent me an email to let me know what you have been up to! Just to let you know, I will be making phone calls to you all next week again, just to say hi and see if there is any home learning I can help with.

eyfs@sandhillsprimary.org

Holly made her entire family using different materials when she followed our theme 'My Family'. I think the junk model face looks great, especially with the addition of pom poms and googly eyes! Well done Holly!

Oliver baked his whole family out of gingerbread and then challenged me to guess who is who! Great work Oliver!

Thomas W has been using his Nerf gun to splat the sounds on the wall. What a great idea!

Dinner time questions

This week in class I have asked the children a different question every day. There is no right or wrong answer! Perhaps you could ask your family one of the questions while you are having dinner together?

Would you rather be a firefighter or a police officer?

Would you rather be a magical unicorn or a mermaid/merman?

Would you rather be a bird or a fish?

Would you rather be an astronaut or an inventor?

Would you rather be the best player on a losing team or the worst player on a winning team?

And finally, some birthdays! Happy birthday to Clara and Callum who have birthdays coming up this week!

Kind regards,

Miss Chappell and Mrs Lawfull.
