

Learning Project WEEK 6: Food

Age Range: KS1

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none">• There are 5 days of Maths work in one powerpoint. This can be found on the school website: https://sandhills.oxon.sch.uk/weekly-maths-tasks/• Practice your times tables. Choose the right level for you. https://sandhills.oxon.sch.uk/home-learning-times-tables/• Look in the cupboards and the fridge. Sort some of the foods you can find into different groups. Which food group has the most or least amount of items? Which item of food is the lightest or heaviest? Why might this be?• Play the game Fruit Fall - answer the data handling questions based on how many pieces of fruit you catch.• Choose and draw a 2D shape of your choice. List how many sides, vertices and lines of symmetry it has.• Online Maths lessons.If you have access to the internet please have a go at one of the following lessons for your year group: Year 1 To experience standard units of mass https://www.thenational.academy/year-1/maths/to-experience-standard-units-of-mass-year-1-wk2-5#slide-2• Year 2:To identify right angles in shapes https://www.thenational.academy/year-2/maths/to-identify-right-angles-in-shapes-year-2-wk1-2• Natwest have a website with some money activities and games. https://natwest.mymoneysense.com/home/	<ul style="list-style-type: none">• Read a variety of books at home everyday. Your child should share a story with you aloud everyday.Take it in turns and encourage your child to use expression and if possible some character voices in their reading.• Please regularly choose an online book by logging into Bug Club https://activelearnprimary.co.uk• Listen to the stories Oliver'sVegetables https://www.youtube.com/watch?v=2yvllKqyVUc and Bonkers about Beetroot https://www.youtube.com/watch?v=PEffZtcaxUo• Read out aloud the ingredients on the back of a tin or cereal box to an adult.• Find a cooking book in the house or online and read the ingredients needed to make something.• Find a food leaflet or take away menu in the house and read some of the items. Make a list of the foods in alphabetical order.• Read a variety of books and make a list of all the different types of food you find.• Choose a comprehension from the school website - https://sandhills.oxon.sch.uk/curriculum-information/english/• Choose a shorter 60 Second Read Activity from the school website. https://sandhills.oxon.sch.uk/60-second-reads-year-1-2/

Weekly Phonics/Spellings Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> ● Daily phonics - encouraging your child to practise their sounds and blend words. Guidance can be found on our school website https://sandhills.oxon.sch.uk/phonics/ ● Daily phonics - your child to practice their sounds and blend words. See our website to help guide you. https://sandhills.oxon.sch.uk/phonics/ ● Go to the Ruth Miskin Training YouTube page. Watch the set 2 sound lesson for that day. If you want to challenge yourself have a go at the Set 3 sound as well! ● Have a go at the Word reading video from the same YouTube site ● Phonics play ● Weekly spellings. Look, cover write and check. https://sandhills.oxon.sch.uk/spellings/ ● Practise spelling common exception words https://sandhills.oxon.sch.uk/wp-content/uploads/2020/04/Yr-1-2-Common-Exception-Words.pdf ● Practise spelling numbers 10 to 20 	<ul style="list-style-type: none"> ● Create a shopping list for the week. Can your child group the items into food groups on their list e.g. fruit and vegetables, meat, dairy. ● Write a recipe for a healthy meal of their choice. Can you use subheadings for the ingredients and instructions? ● Write a set of instructions for making toast. Can you use imperative verbs? ● Design a new label for a cereal box. What eye catching information will you add? Can you use an exclamation mark? ● Write a poem about your favourite food. Will it rhyme? ● Design a new milkshake. Which ingredients will you include. Can you label the milkshake. Will you have a mascot that is linked to your new creation? Can you make the milkshake?

Learning Project - to be done throughout the week: Food	
<p><u>Food</u> The project this week aims to provide opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc .</p> <p><u>Balanced diet:</u> Show your child this video about how to have a balanced diet. What food do we have today? Look in the kitchen to see if you can create an A-Z list of foods.</p> <p><u>Fruit and vegetables</u> Draw pictures of fruit and vegetables in your house. Label the fruit and vegetables and place in alphabetical order.</p> <p><u>Sorting activity</u> Collect food from the kitchen and sort into healthy and unhealthy foods.</p> <p>Healthy lunchbox Create a healthy lunchbox to take to school. What would you put in it?</p> <p><u>Design a poster</u> Think about the foods you like to eat and food that you need to eat to keep you healthy. Create a poster that you can put in the kitchen or in the school hall. Will you be able to use any food wrappers or make your poster interactive?</p> <p><u>Traditional food:</u> Many cultures have various dishes of food to celebrate their festivals. Find out about a festival and compare it to a different festival. What are the similarities? What are the differences? How is the food prepared? Do you have any traditional food you enjoy with your family?</p> <p><u>Restaurant:</u> Can you plan a menu? Think about what you would like to have on your menu. Can you design a menu for a vegetarian? Can you design a menu for a vegan? Will you have options on your menu for people who have allergies? Look around the house for any leaflets or take away menus. What price is the food? Can you do any meal deals?</p> <p><u>Designing a school menu.</u> Can you design a new school menu? What could you add? What would you keep the same? Will it be a healthy school menu? Can you find pictures or draw pictures to add to your menu? Plan out your menu and remember to include prices. Will you have a different menu everyday?</p> <p><u>Cooking:</u> find a few recipes and check if you have the ingredients at home and cook a meal for your family. Think about a starter, main and dessert. Can you cook as a family? Who will do the measuring?</p> <p><u>Fruit survey:</u> ask in your family the different fruits they like to eat. Collect the information and add it to your tally chart. Can you represent this information in a particular way?</p> <p>Fruit and vegetables printing: Look at the work of the artist: Lynn Flavell. How does she represent fruit and vegetables? Can you create a piece of artwork in the style of Lynn Flavell.</p>	

Food

The project this week aims to provide opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc .

Balanced diet: Show your child this [video](#) about how to have a balanced diet.
What food do we have today? Look in the kitchen to see if you can create an A-Z list of foods.

Fruit and vegetables

Draw pictures of fruit and vegetables in your house. Label the fruit and vegetables and place in alphabetical order.

Sorting activity

Collect food from the kitchen and sort into healthy and unhealthy foods.

Healthy lunchbox

Create a healthy lunchbox to take to school. What would you put in it?

Design a poster

Think about the foods you like to eat and food that you need to eat to keep you healthy. Create a poster that you can put in the kitchen or in the school hall. Will you be able to use any food wrappers or make your poster interactive?

Traditional food: Many cultures have various dishes of food to celebrate their festivals. Find out about a festival and compare it to a different festival. What are the similarities? What are the differences? How is the food prepared? Do you have any traditional food you enjoy with your family?

Restaurant: Can you plan a menu? Think about what you would like to have on your menu. Can you design a menu for a vegetarian? Can you design a menu for a vegan? Will you have options on your menu for people who have allergies?
Look around the house for any leaflets or take away menus. What price is the food? Can you do any meal deals?

Designing a school menu. Can you design a new school menu? What could you add? What would you keep the same? Will it be a healthy school menu? Can you find pictures or draw pictures to add to your menu? Plan out your menu and remember to include prices.
Will you have a different menu everyday?

Cooking: find a few recipes and check if you have the ingredients at home and cook a meal for your family. Think about a starter, main and dessert. Can you cook as a family? Who will do the measuring?

Fruit survey: ask in your family the different fruits they like to eat. Collect the information and add it to your tally chart. Can you represent this information in a particular way?

Fruit and vegetables printing: Look at the [work](#) of the artist: Lynn Flavell. How does she represent fruit and vegetables? Can you create a piece of artwork in the style of Lynn Flavell.

Look at the work of [Giuseppe Arcimboldo](#).

Using different drawing materials, can you create a picture of your own?

Additional learning resources parents may wish to engage with

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Highly recommended. A document made by the staff at Sandhills to bring your attention to a wide variety of extra tasks.
