Q3: Draw the correct coins for the jar.

**£2.72**

Q4: Insert the correct symbol  $<$ ,  $>$  or  $=$ .

**£3.28**

## Week 3 – Day 5

For today's activity I would like you to create your own shop. It can sell anything you like!

You then need to create 4 questions based on your shop. Just like I have each day this week.

You can then either send these questions to me to answer at [5g@sandhillsprimary.org](mailto:5g@sandhillsprimary.org) or see if your family can answer then!

## Week 3 – Day 5

For your ‘mastery’ task this week, I want you to create me a ‘mastery’ question in the style of ones you have seen based on money.

I look forward to receiving your questions to challenge me!
