1. Watch the power-point linked to these spellings.
2. Write a conversation using each word. Can you use the word at a different place in the sentence, at the start, middle and end? You might be able to spell the words easily but you need to know how to use them correctly in context. Use a dictionary if you are not sure of the meaning.
3. Copy out your spellings once a day.
4. Get someone to test you on Friday to see if you get 10/10.

Mrs Pitt's group

Here are your words this week.

learn length library material medicine

Do the activity mats if you have a printer or write a sentence for each word - use a dictionary if you are not sure of the meaning.

1. Copy out your spellings once a day.
2. Get someone to test you on Friday to see if you get 5/5.
