antonym

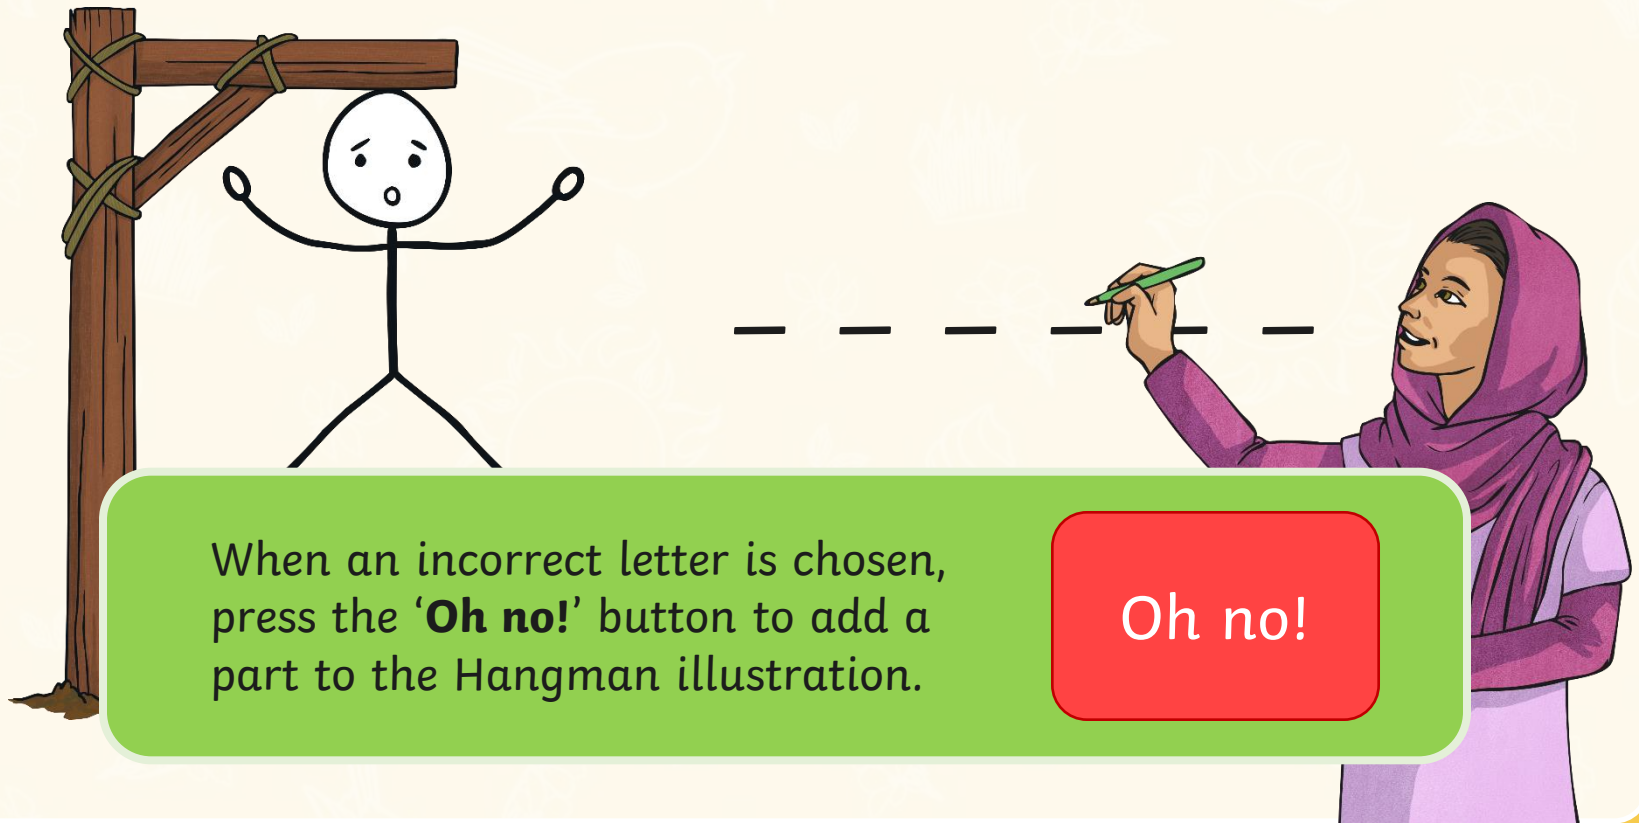

This week, we are going to look at synonyms for one of the most overused verbs in children's writing...

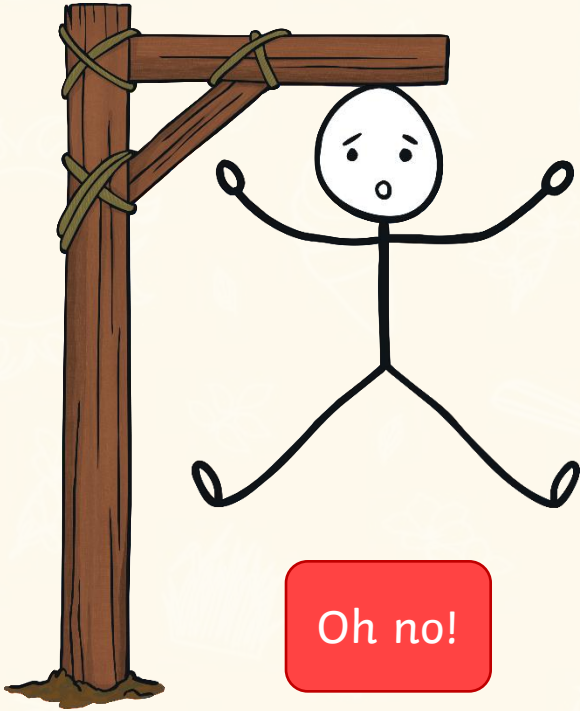

'said'

At the same time, we are also actually going to be identifying pairs of antonyms (in terms of volume)...

quietest **→** **loudest**

We are going to play Spelling Hangman. Can you and your partner guess the 'said' synonym used in these direct speech sentences? They will either be very quiet, or very loud 'said' synonyms. Try and use the spoken words within the inverted commas as a clue.
