

Burps, Bottoms and Bile Year 4 - Homework Grid – Autumn 1 - 2020

Homework in Year Four will consist of three types of tasks:

1. Daily practising of reading, spellings and times tables. There are pages on the school website with games and activities to help you. It is really important that children are regularly practising their times tables. They will be tested on their times tables each week. Spellings will go home in children's reading diaries on a **Friday**, and they will be tested on their spellings the following **Friday**.
2. Weekly set tasks in maths, English and/or science. These will be sent home on a Friday and need to come into school by **Wednesday morning**. Time will be allocated to complete homework at school if needed.
3. Topic tasks. These are shown in the grid below. These are optional so don't have to be completed, but we would love you **share them via Google Classroom** for the whole class to enjoy.

You should prepare weekly and topic tasks to the best of your ability and check your work carefully (ensuring that you have checked your spelling and presentation) before handing them in. If you have any concerns or would like some support or help with resourcing your chosen activities, please do not hesitate to contact us via the **class email**. We look forward to seeing all of your exciting homework this term. 😊

Drop grubby copper-plated coins into a range of fizzy drinks and leave them overnight to see what happens. Which brand has the most powerful cleaning properties?

Make a healthy meal that supports digestive health. How can you show what you have done?

Try a new food or drink that you have never tasted before. What do you like or dislike about its taste and texture?
