

Dear Parents and Carers,

We have had a busy start to the term. Every day we have done Maths and phonics. We have really enjoyed the book *Here We Are* by Oliver Jeffers. The theme is notes on planet Earth and we have used lots of ways to explain our planet. We have made guides for aliens, pictures of ourselves and labelled as many parts of our bodies as we can. We have talked about how we are all Unique and special. Here is a picture of our working wall with lots of our work on display.

We have been making a collage of Earth and a picture of ourselves belonging together.

The children have shown great enthusiasm for Earth and thought about how we must care for the planet and those we share it with.

Just a reminder we have P.E on Tuesday and Fridays. I hope you have managed to log on to Bug Club and Google Classroom. Our homework is set on google classroom so if you are having any problems please let me know.

Next week we will start our Topic for the term which is Superheroes. Next Friday, 25th September, please send your child dressed as a superhero. More information is on Google Classroom as part of their homework.

Black History Month

We are looking forward to celebrating Black History Month at school in October. Our main focus will be on two aspects of British Black History - the Bristol Bus Boycott and the history of the Notting Hill Festival. If any of our families have any particular connection of information of relevance to these events, we would love to hear from you.

If you need to contact me my email address is 1P@sandhillsprimary.org.

Thank you for bringing your children to school, it is the best place for them to learn. Thank you for testing when they are ill and keeping everyone safe,

Mrs Pagett
