<p style="text-align: center;">English</p> <p>As writers and readers the children will take part in Read, Write Inc. lessons five times a week. This focuses on learning phonic sounds and blending sounds, whole word and whole text reading and writing sentences. There is also talk for Writing. Throughout the term, the children will be learning a story, re-telling it and using this to produce their own writing. Handwriting: We practice handwriting and letter formation daily in Year 1. Grammar: We will be learning the basic tools of writing.</p> <p>Our class story is Traction Man by Mini Grey and we will also look at some traditional tales including Goldilocks and the Three Bears.</p>	<p style="text-align: center;">Maths</p> <p>As mathematicians, we will continue our work on numbers between 0 and 10 and addition and subtraction. We will continue to look at fact families, number bonds and work with the part part whole model. We will then move on to Geometry and look at 2D and 3D shapes. Finally we will go back to number and place value but work with numbers up to 20.</p>	<p style="text-align: center;">PE</p> <p>This term we will be doing team building and dance. In Dance we will link a sequence of dance ideas to a piece of music linked to a favourite memory.</p>
<p style="text-align: center;">Computing</p> <p>As computer scientists, we will think about our responsibilities and digital citizenship. We will use poems, stories, songs, videos and the "Digital Citizens" characters to teach learners how to be safe and responsible online. The lessons will help our young learners on the road to being safe, responsible and respectful as they navigate the digital world.</p>	<p style="text-align: center;">Memory Box</p> <p>Can you remember being small? Being a baby and learning to crawl? Do you recall a favourite toy, maybe a teddy bear or a favourite book? Look back at family photos of special occasions, perhaps holiday snapshots or a birthday or two. Remember a wedding or a christening and find a funny photo of your parents when they were young. Learn how to write a diary of days gone by and find out about the days before you were born: it's called history and it's all about the past. Then make a special box, a memory box, to keep special things safe. In years to come, you can revisit them and remember how you looked when you were young. Memories are special. Let's make some more.</p>	<p style="text-align: center;">Music</p> <p>As musicians, we will be learning two songs this term. Rhythm In The Way We Walk which is a Reggae style song and Banana Rap which is Hip Hop style. Through these songs, we will continue to learn about pulse, rhythm, pitch, rapping and singing.</p>
<p style="text-align: center;">Art and DT</p> <p>As Artists we will look at a painting by Bruegel from 1560. Then we will recreate our own modern day versions.</p> <p>As Designers we will design a cup and ball toy.</p>		<p style="text-align: center;">Science</p> <p>As Scientists we will be learning how to work scientifically and trying a few simple experiments. We will continue our work on humans and think about how we change and grow. We will experiment and see if we can design a flotation device for our character in our story. We will think about which materials float and which sink.</p>
