

Sandhills Primary School Topic Web – Year 6 - Term One

<p style="text-align: center;">English</p> <p>As writers, we will be writing flashback stories and non-chronological reports.</p> <p>Our class story is Wonder by R.J. Palacio- A book looking at August, or Auggie as his family call him, who is an ordinary boy in many ways. He rides a bike and likes playing with his Xbox. But Auggie was born with deformities of the face and looks very different from other children</p>	<p style="text-align: center;">Maths</p> <p>As mathematicians, we will work on place value of large numbers; how to read and write them. This will then lead to adding and subtracting numbers using the column method. Afterwards, we will learn to add and subtract mentally.</p> <p>Following this, we will recap multiplication and division methods, the column method and bus stop method. This will then be taken further by multiplying and dividing by 2 or more digits.</p> <p>Every day the children will be practising their times tables as it is key that they know up to 12×12 mentally. It is also good practice to do the inverse division e.g. $72 \div 6 =$</p>	<p style="text-align: center;">PE</p> <p>In PE, we will be learning how to play as a team in hockey and develop our gymnastic and swimming skills. PE days are on a Tuesday and Wednesday for both classes. Swimming will be on Tuesdays – more information to follow.</p>
<p style="text-align: center;">Computing</p> <p>As computer scientists, we will learn about the World Wide Web as a communication tool. We will learn how to find information on the World Wide Web, through learning how search engines work (including how they select and rank results) and what influences searching, and through comparing different search engines.</p>	<p style="text-align: center;">ID</p> <p>Who do you think you are? Are you an extrovert or an introvert, a singleton, a twin or even a triplet? In this topic we will discover what makes you... you! From your fingerprints and footprints, to your genes and DNA. Most subjects this term will be linked to this topic.</p> <div style="text-align: center;"></div>	<p style="text-align: center;">Science</p> <p>As Scientists we will be learning about evolution and inheritance, as well as working scientifically.</p>
<p style="text-align: center;">DT</p> <p>As Designers we will be exploring tie-dying and different sewing techniques. We will design and make our own apron using the techniques learnt.</p>		<p style="text-align: center;">History & Geography</p> <p>As Historians we will be looking at social reformers.</p> <p>As Geographers we will be finding out about the local community.</p>
<p style="text-align: center;">PSHE</p> <p>In PSHE this term, we are learning about 'Being Me in My World'.</p>	<p style="text-align: center;">Religious Education</p> <p>Are saints encouraging role models? We will be looking at a variety of different saints including modern day saints.</p>	<p style="text-align: center;">French</p> <p>This unit includes vocabulary and conversations linked with eating out and buying food. Pupils will learn how to order food and drinks in cafés and restaurants, as well as how to ask for a table. They will also have the opportunity to practise some of the numbers covered last term by asking</p>
