

Sandhills Primary School - Visits, Visitors, Wow Days and Whole School Events 2022/23

This document shows the planned visits, visitors, wow days and whole school events for 2022/23

Visits and visitors allow us to enrich and bring life to the children’s learning. They give glimpses into other lives and experiences that give a sense of what is possible.

Please note, this is a guide only and it may occasionally be necessary to make changes to this programme for reasons not always within our control. Please look out for more information from Class Teachers.
